INTRODUCTION

An important objective in preparing a Legacy Plan for the El Monte Mobile Village is to develop a plan which can accurately reflect the needs and priorities of the El Monte Mobile Village community. El Monte Mobile Village was designated in the 2030 Tulare County General Plan (2012) through the SB 244 Study under GPA 2015-D. It has become apparent that a more precise plan is needed to increase the availability of infrastructure funding (for things such as drinking water system improvements [for example wells, water distribution piping, and storage tanks], curbs, gutters, sidewalks, etc.) and to stimulate economic development within the community.

Location
El Monte Mobile Village (see Figure 1) is located on the northern part of Tulare County on the valley floor. El Monte Mobile Village is a small community comprised of mobile homes located on Avenue 416 approximately one (1) mile west of the City of Dinuba. El Monte Mobile Village (see Figure 2) is in Section 12, Township 16 South, Range 23 East, MDB&M, and can be found within the Reedley, United States Geological Survey 7.5 minute topographic quadrangle. El Monte Mobile Village is located at an elevation of 337 feet above sea level, National Geodetic Vertical Datum. The coordinates of El Monte Mobile Village are: Latitude: 26.547156, Longitude: -119.424884. El Monte Mobile Village is located in Census Tract 3.01, Block Group 6 and is divided into three Census Blocks (6039, 6040 and 6041). The population is approximately 155 and is comprised of approximately 47 mobile homes.

City of Dinuba Sphere of Influence (SOI)
El Monte Mobile Village is located just outside the City Limits of Dinuba but within the Sphere of Influence (SOI) (see Figure 3). The City of Dinuba Urban Boundary Element defines the limits for extending city services and infrastructure so as to accommodate new development anticipated within the timeframe of the General Plan. The element includes a 20-year Urban Development Boundary which is the city’s ultimate physical boundary and service area for the next 20-years (2006-2026); a 10-year Urban Development Boundary which is the urbanizable area within which a full range of urban services will need to be extended to accommodate urban development. El Monte Mobile Village is within the city’s 10 and 20-year Urban Development Boundary (UDB), the city’s General Plan map designates the site as Residential – High Density.

DEMOGRAPHICS

An important part of planning is having information that describes the characteristics of a Legacy’s population. Collectively, these characteristics are known as “demographics” which is data typically consisting of the age, gender (i.e., male or female), income, race, employment, and other characteristics of a community. This data, and looking at historical trends of this data, allows a reasonable way to project what may occur in the future and thereby provides a guide to which issues need to be addressed in a Legacy plan. For example, knowing the age and percentage of a population allows proper planning for school needs for school-age children; knowing how many people may eventually live in a Legacy allows for proper planning to meet housing needs and the amount of land needed to provide housing for a growing population. If a population can be estimated, it is possible to project how much water and/or sewer service may be needed for a Legacy. The following information provides a summary of some of the more important demographic data needed to craft a plan that can realistically address the needs of smaller Legacy such as El Monte Mobile Village.

Population
El Monte Mobile Village is located within Census Tract 3.01, Block Group 6 and includes three separate Census Blocks (6039, 6040 and 6041). The Population for Census Tract 3.01 was 6,901 with 155 people living in El Monte Mobile Village. (Census data: ACS 2015 5-year)

Median Age
El Monte Mobile Village’s median age of 34.4 is lower than the median age of the State of California (Census data: ACS 2015 5-year) (See Table 1).

ECONOMIC CONDITIONS

Employment in El Monte Mobile Village
According to the Tulare County 2030 General Plan Update, the County’s economy has historically been driven by agriculture and has had one of the largest agricultural outputs of any county in the US. Despite this, the Tulare County unemployment rate has remained consistently higher than the State average, which can be largely attributed to the seasonal nature of agricultural production.

Median Household Income
In 2015, El Monte Mobile Village’s median household income was $44,569 (Census data: ACS 2015 5) whereas the State of California’s median household income was $61,818 (see Table 2). However, the Medium Household Income of $44,569 for El Monte Mobile Village is based on Census Tract 3.01 (a large geographical area) and is approximately 20% higher than the $36,860 in the City of Dinuba.
Severely Disadvantaged Community
El Monte Mobile Village is a severely disadvantaged community based upon household income. As defined by the State of California Public Resources Code 75005. (g), a "[d]isadvantaged community" means a community with a median household income less than 80% of the statewide average. "Severely disadvantaged community" means a community with a median household income less than 60% of the statewide average.”

Household Size (Overcrowding)
In 2015 the average housing units and occupancy were 3.37 persons per household in Tulare County. (Census data: ACS 2015 5-year).

By definition, the most common measure of overcrowding is persons per room in a dwelling unit.\(^1\) More than one person for each room of a dwelling unit is considered overcrowding. It is important to note that the measure is based on all rooms of a dwelling unit, not just the number of bedrooms. It is not uncommon for persons to share a bedroom, for example siblings or adults.

ENVIRONMENTAL CONDITIONS

Natural Conditions

Wildlife\(^2\)
A California Natural Diversity Database (CNDDDB) (see Figure 5) search conducted on May 24, 2017, indicates there are special status species within the Reedley Quadrant Species List (which includes the El Monte Mobile Village Planning Study Area) consisting of no animal species and one plant species: Valley Elderberry Longhorn Beetle (Desmocerus californicus dimorphus), which has been removed from the Federal/State list for Tulare County.

---

Figure 5 - CNDDDB Map Reedley Quad
Geology & Seismic Hazards

“The Official Maps of Earthquake Fault Zones delineated by the California Geological Survey (CGS), State of California Department of Conservation, through December 2010, under the Alquist-Priolo Earthquake Fault Zoning Act, indicate that there are no substantial faults known to occur in Tulare County. The nearest known faults likely to affect El Monte Mobile Village are the San Andreas Fault (approximately 75 miles to the west), the Owens Valley Fault (approximately 65 miles to the northeast), and the Pond Fault (approximately 25 miles southwest). According to the Five County Seismic Safety Element (FCSSE) and Figure 10-5 (Seismic/Geologic Hazards and Microzone) of the Tulare County 2030 General Plan Health and Safety Element (GPHSE), the Project area, [El Monte Mobile Village] is located in the V-1 zone, characterized as a moderately thick section of marine and continental sedimentary deposits overlying the granitic basement complex. The FCSSE further states that, “Amplification of shaking that would affect low to medium-rise structures is relatively high, but the distance to either of the faults that are expected sources of the shaking [the San Andreas and Owens Valley Faults] is sufficiently great that the effects should be minimal. The requirements of Zone II of the Uniform Building Code should be adequate for normal facilities.”

Soils

According to the United States Department of Agriculture (USDA), Natural Resources Conservation Service (NRCS), and the Soil Survey of Tulare County (see Figure 6), the following soil types are located throughout El Monte Mobile Village Legacy Development Boundary (LDB). The following description is provided for the above soil type:

Delhi sandy loam, 0 to 2 percent slopes. Consists of very deep, somewhat excessively drained soil; negligible to slow runoff, rapid permeability. Delhi soil is used for such crops as grapes, peaches, truck crops, alfalfa, and for homesites.
Physical Conditions

Air Quality
The El Monte Mobile Village Plan Area is within the San Joaquin Valley Air Basin (SJVAB) and under the jurisdiction of the San Joaquin Valley Air Pollution Control District (SJVAPCD). The SJVAB is classified non-attainment/severe for the State 03 1-hour standard, non-attainment for the State 0 8-hour standard, non-attainment for the State PM$_{10}$ standard, non-attainment for the federal and State PM$_{2.5}$ standards, and attainment and/or unclassified for the remaining federal and State air quality standards. According to the Tulare County General Plan, the San Joaquin Valley has some of the worst air quality in the nation. The CO and NOX emissions are typically generated by motor vehicles (mobile sources). The ROG emissions are generated by mobile sources and agriculture. Although emissions have been shown to be decreasing in recent years, the SJVAB continues to exceed state and federal air quality emission standards.

Executive Order S-3-05, issued by Governor Schwarzenegger in 2005, established targets for greenhouse gas (GHG) emissions for the State. The Global Warming Solutions Act of 2006 (or Assembly Bill (AB) 32) directed the California Air Resources Board (CARB) to develop and adopt statewide GHG emission limits in order to reduce emission levels to those experienced in 1990, by the year 2020. In order to achieve those targets, CARB adopted the Climate Change Scoping Plan in December 2008.

The SJVAPCD provides a list of potential air quality mitigation measures that are applicable to General Plan updates and community plans:

- Adopt air quality element/general plan air quality policies/specific plan policies.
- Adopt Local Air Quality Mitigation Fee Program.
- Fund TCM program: transit, bicycle, pedestrian, traffic flow improvements, transportation system management, rideshare, telecommuting, video-conferencing, etc.
- Adopt air quality enhancing design guidelines/standards.
- Designate pedestrian/transit oriented development areas on general plan/specific plan/planned development land use maps.
- Adopt ordinance limiting wood burning appliances/fireplace installations.
- Fugitive dust regulation enforcement coordinated with SJVUAPCD.
- Energy efficiency incentive programs.
- Local alternative fuels programs.
- Coordinate location of land uses to separate odor generators and sensitive receptors.

Air quality is directly related to land use; it is also related to the configuration of land, vegetation, climate, wind direction and velocity, and production of man-made impurities which change the natural qualities of the air. Because El Monte Mobile Village is located near the central portion of the Valley
with prevailing winds from the northwest, it is in a vulnerable position for the accumulation of adversely modified air, particularly when a temperature inversion occurs which holds down surface air along with its pollutants.

Local air pollution sources within the general vicinity of El Monte Mobile Village include Avenue 416 and agricultural activities.

Flooding

According to the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map, Community-Panel Number 06107C0320E (see Figure 7). El Monte Mobile Village is located within Flood Zone X – Areas of 0.2% annual chance flood; area of 1% annual chance flood with average depths of less than 1 foot or with drainage areas less than 1 square mile; and areas protected by levees from 1% annual chance flood. Structures located in a shaded X zone are recommended to be elevated one foot above natural ground. Elevation certificates are not required unless property owner wishes to use them for insurance rating purposes; for example, a preferred risk policy.

The County of Tulare has taken steps to be a part of the National Flood Insurance Program (NFIP), which means the County of Tulare agreed to manage flood hazard areas by actively adopting minimum regulatory standards as set forth by Federal Emergency Management Agency (FEMA). The National Flood Insurance Program (NFIP) is administered by the (FEMA) to offer flood insurance to properties located in special flood hazard areas (SFHAs). Information about the NFIP, is available at the following website: www.fema.gov. As part of the county’s participation in the NFIP, individuals are eligible to obtain flood insurance. Further flood information is available on Tulare County Resource Management Agency website at: http://tularecounty.ca.gov/rma/index.cfm/public-works/flood-hazard-information/flood-control-information/. On June 16, 2009, Tulare County adopted the new Digital Flood Insurance Rate Maps (DFIRMs). Information is available to determine if a property is located in a SFHA by using the following FEMA Map Service Center link as follows: https://msc.fema.gov/portal.

---

Figure 7 - FEMA Flood Map
Noise

Tulare County adopted a new noise element as part of the Health and Safety Chapter of the 2030 General Plan Update. The noise contours were prepared in terms of day-night average decibel level (Ldn), which are descriptive of the total noise exposure at a given location for an annual average day.

The Noise Element identifies noise-impacted areas throughout Tulare County. These areas include lands which have existing or projected noise levels exceeding 60 decibels (dBA) Ldn. This decibel figure is considered to be the maximum normally acceptable noise level for single family residential areas. Roadways and traffic noise are the dominant source of ambient noise in the County. (Table 3) summarizes the daily traffic volumes along Avenue 416 from State Route 99 to Road 72. Together, these noise sources place a portion of El Monte Mobile Village’s urbanized areas within the 60 dB Ldn noise contour. The Noise Element includes performance standards for new residential or other noise-sensitive land uses which are to be located near noise-impacted areas. The Element indicates that these uses will not be permitted unless effective design measures can be integrated into the development to mitigate the impact of noise.

Source: 2010 General Plan Background Report

Infrastructure

Infrastructure is defined as “the basic physical and organizational structures needed for the operation of a society or enterprise or the services and facilities.” In regards to El Monte Mobile Village, this Legacy Plan is intended to address deficiencies and the need for improvements to the drinking water system improvements, (for example wells, water distribution piping, and storage tanks), curbs, gutters, streets, sidewalks, etc.). The prioritized concerns of the Community include:

1. Energy - Natural Gas/Electricity
2. Water Supply
3. Sewer
4. Storm Water Drainage
5. Solid Waste
6. Street Conditions

---

7. Roads
8. Internet
9. Public Transportation

Figure 8 - Inventory of Services in El Monte Mobile Village
Energy: Natural Gas/Electricity
Pacific Gas & Electric (PG&E) provides electric and gas power to El Monte Mobile Village.

Water Supply
The El Monte Mobile Village provides water service to the El Monte Mobile Village. El Monte Village has 49 connections serving 100 residence. The system has one water well that supply the community.

“The drinking water services are provided by the El Monte Village, according to the Environmental Working Group National Drinking Water Database with services for 100 people. Testing conducted between 2004 and 2009 and provided to the EWG by the California Department of Public Health did indicate nitrite and nitrate levels over the legal and health limits, as well as alpha particle activity, lead, 1,2-dibromo-3-chloropropane, and arsenic over the health limit. Environmental Protection Agency (EPA) violations were noted for nitrate levels over the MCL (2007-2008), failure to report information to the public or state agency in the Consumer Confidence Report (2004), and failure to regularly monitor nitrate (2007).”

Well 02 – Online 6-8-15
Well 01 – Dry (6-2015)

Sewer
“Wastewater treatment is provided by septic systems and information is unavailable regarding any potential leaching and potential deficiencies may exist.”

Storm Water Drainage
El Monte Mobile Village does not currently have a storm drainage system.

Solid Waste
Solid waste disposal services for the Community of El Monte Mobile Village is provided by Pena's Disposal, a private company. Solid waste generated in El Monte Mobile Village can be disposed of at Visalia Landfill, located at 22466 Road 80, Visalia.

Roads and Circulation
The community of El Monte Mobile Village is comprised of a private internal roads.

Street Lights
El Monte Mobile Village has street lighting at two (2) locations (See Table 4). “Streetlights are provided in some areas of the community but are lacking in others, therefore the community is deficient in these areas (see Figure 8).”

---

7 SB244: Part II Disadvantaged Unincorporated Communities Assessment, October 2015, Page 3-8
8 Id
9 Id
Sidewalks
There are currently no sidewalks located within El Monte Mobile Village.

ADA Curb Ramps
The Americans with Disabilities Act (ADA) of 1990 included design requirements for persons with disabilities in the public rights-of-way. Curb ramps are an important part of making sidewalks and street crossings accessible to people with disabilities (especially those who use wheelchairs). An ADA compliant curb ramp is a short ramp cutting through or built up to a curb. It consists of the ramp itself which is sloped to allow wheelchair access from the street to the sidewalk and flared sides that bring the curb to the level of the street.

Curb ramps are most typically found at intersections, but can also be located near on-street parking, transit stations and stops, and midblock crossings. Title II regulations require curb ramps at existing and new facilities.

There are currently no ADA compliant curb ramps found in El Monte Mobile Village.

Public Transportation

Transit

Dinuba operates Dinuba Area Regional Transit (DART). DART operates Monday through Saturday, no service provided on Sundays. DART Flexroute is a combined fixed route and dial-a-ride service. Two 30-minute routes take you throughout Dinuba. Routes 1 and 2 operate along a fixed route, but leave the route to pick up dial-a-ride passengers between route stops. Passengers may transfer between DART routes, or to Tulare County Area Transit (TCaT) at the Transit Center in Dinuba. TCaT transfers can be made to connect to Visalia, Tulare, and the remainder of the TCAT public transit system. TCAT vehicles are wheelchair accessible and full size buses include bike racks. DART connects with the Fresno County Rural Transit Agency (FCRTA) at Reedley College. Separate fares are required to board the TCaT and FCRTA systems. El Monte Mobile Village is connected via to Dinuba and its transit center (see Figure 9). Bus stop for El Monte Mobile Village is located approximately one (1) mile east along Avenue 416 at the Dollar Tree Store, Dinuba California.
AMTRAK
The Hanford AMTRAK station, located approximately 25 miles to the southwest in Kings County, is the closest station to El Monte Mobile Village providing passenger rail service. The San Joaquin Joint Powers Authority (SJJPA) is comprised of ten agencies (including TCAG) currently oversees the operation of seven daily trains serving this station. Service is provided to points north including San Francisco and Sacramento and to points south including Bakersfield and the Los Angeles basin (via connecting Amtrak Thruway bus service.)
Aviation
The nearest operational general aviation airport is Visalia Municipal Airport, approximately 20 miles southwest, offers passenger service to Los Angeles. Fresno Yosemite International Airport (FAT), approximately 40 miles north of El Monte Mobile Village, is the principal passenger and airfreight airport in the central San Joaquin Valley.

State Route 99
State Route (SR) 99 is the major highway between cities within the Central Valley and is the primary route between the City of Fresno to the north and the City of Bakersfield to the south. El Monte Mobile Village is located approximately ten miles east of SR 99.

Internet Access
Most families in El Monte Mobile Village do not have internet access at their homes. Any available internet service is unreliable and expensive. Residents are told by internet providers that there is not a tower in their area and that is why internet service is either unreliable or very expensive compared to what it costs in nearby cities. This is a major problem to residents, without access to the internet, they are unable to do very basic things such as online job hunting, applying for resources, and providing homework help to their kids. Internet access ranked as a high priority improvement need in El Monte Mobile Village.

PUBLIC SERVICES

Sheriff
Police protection services are provided in El Monte Mobile Village by the Tulare County Sheriff’s Department sub-station, located 40765 Road 128, in Cutler, California, approximately 10 miles southeast of El Monte Mobile Village. The substation provides patrol services 24-hours per day, 365 per year. Additional Sheriff resources are available as needed via dispatch from the main Sheriff’s Office in Visalia, California.

Fire
Fire protection and emergency medical services are provided for El Monte Mobile Village by the Tulare County Fire Department. The community is served by Dinuba Fire Station #3, located at 40404 Road 80 Dinuba, California. Parade 1, Engine 3 and Water Tender 3 are assigned to this location.

There are currently no fire hydrants in El Monte Mobile Village.

Schools
Schools are an especially important component of a community. The quality of residential development is often measured by whether schools exist in close proximity to the neighborhood. As a result, schools are often a gravitational factor in attracting residential development to certain areas of a community. The El Monte Mobile Village Area is within the Dinuba Unified School District approximately three (3) miles away. The District provides K-12/adult education at Dinuba Schools.
Library
“The Tulare County Public Library System is comprised of interdependent branches, grouped by services, geography and usage patterns to provide efficient and economical services to the residents of the county. At present, there are 14 regional libraries and one main branch.”10 The Dinuba Branch Library is located in Dinuba, approximately three (3) miles to the east of El Monte Mobile Village (see Table 5).

Parks
There are no County owned/operated public parks in El Monte Mobile Village. In the community of El Monte Mobile Village there is no available open green space for children to play and adults to be physically active. The nearest park is located three (3) miles away in the City of Dinuba.

CIRCULATION AND TRAFFIC

For a land use plan to operate effectively, it is imperative that a comprehensive circulation plan be prepared. Existing roadways must have the capacity to expand as traffic counts increase, and new roads must be planned so that one part of the community can be connected to another.

Tulare County’s relationship to the State Route system, nearby counties, cities, and communities

“The purpose of the highway, streets and roads section is to identify the existing regional circulation system and determine both feasible short-term and long-range improvements. Tulare County's planned circulation system consists of an extensive network of regional streets and roads, local streets and State Highways. The system is designed to provide an adequate [Level of Service] LOS that satisfies the transportation needs of County residents. However, Tulare County has experienced a large increase in population and is beginning to outgrow portions of the circulation system. The need for major improvements to the State Highways, streets and roads network is an important issue.

The existing State Highway system was completed in the 1950's and 60's. The average design life of a State Highway is approximately 20 years and many Tulare County's highways were constructed 50 years ago. The Agricultural and commercial industry continue to utilize the circulation system to get products to market. With industry intensification and other development, many facilities are beginning to show structural fatigue (e.g., surface cracks, potholes, and broken pavement).”11

10 General Plan Background Report, page 7-96
11 2014-2040 Regional Transportation Plan & Sustainable Communities Strategy, Tulare County Association of Governments (TCAG), June 2014. Page 3-54.
Traffic
Tulare County is linked to Fresno County and Kern County principally by State Route 99. This route provides the only continuous north-south route through the County and is heavily used for regional travel. The entire length of State Route 99 in Tulare County and State Route 198 through Visalia and a portion of State Route 65 in Porterville are constructed to freeway standards.

Freeways provide for the ability to carry large traffic volumes at high speeds for long distances. Access points are fully controlled. Freeways connect points within the County and link the County to other parts of the State.

Arterials provide for mobility within the County and its cities, carrying through traffic on continuous routes and joining major traffic generators, freeways, and other arterials. Access to abutting private property and intersecting local streets shall generally be restricted.

Collectors provide for internal traffic movement within communities, and connect local roads to arterials. Direct access to abutting private property shall generally be permitted.

Local Roads provide direct access to abutting property and connect with other local roads, collectors, and arterials. Local roads are typically developed as two-lane undivided roadways. Access to abutting private property and intersecting streets shall be permitted.

Existing Circulation
El Monte Mobile Village is a small agricultural community located adjacent to Avenue 416. The community of El Monte Mobile Village is comprised of a private internal road roads. The major rural collector road is Avenue 416. There are no proposed major streets as part of this Legacy Plan.

Patterns of Blocks and Streets
The prominent grid pattern of County roads provides efficient and direct collector routes that provide ease of travel from place to place.

Complete Streets
The California Complete Streets Act (AB 1358) of 2008 was signed into law on September 30, 2008. Beginning January 1, 2011, AB 1358 requires circulation elements to address the transportation system from a multimodal perspective. The bill states that streets, roads, and highways must “meet the needs of all users in a manner suitable to the rural, suburban, or urban context of the general plan.” The Complete Street roadway typically includes sidewalks and sidewalk amenities, transit shelters and facilities whenever there is a route along the corridor, and provisions for bicycle facilities.
GOALS, OBJECTIVES AND POLICIES

This Section of the El Monte Mobile Village Legacy Plan prescribes the land use policy framework which will govern the development of the community through the year 2030. It includes text, which sets out explicit policy statements about the quality, character, and manner in which development in the community will take place. The land uses in the El Monte Mobile Village Legacy Boundary is proposed to reflect a residential land use designation.” The following land use designations and descriptions, with densities and intensities are recommended for El Monte Mobile Village to address land demand needs through the 2030 planning horizon year.

Goals, objectives and policies are the fundamental building blocks of the planning process. Goals describe the desirable results to which the plan is committed while objectives describe the intermediate steps or achievements which must be taken to reach the goals. Policies describe more specific actions or processes which must be undertaken in order to achieve objectives. The goals, objectives and policies of this community plan are based on those contained in the Tulare County 2030 General Plan, El Monte Mobile Village Legacy Plan. The goals, objectives and policies are divided into four categories: Community Development, Housing, Economic Base, and Environmental Quality.

It is important to recognize that County policies reflect the unique attributes of the various locations and geographic areas in the County. As such, there are policies applicable to one area of the County that are not applicable to others based on natural setting, topography, habitat, existing development, or other attributes which are unique within the planning context of the County. The following planning goals, objectives, policies and standards reflect, as applicable, the rural, suburban, or urban contexts of the Legacy planning areas designated by the County.

Community Development

GOAL II: Avoid land use conflicts through planning separation of uses.

Objective: Promote concentrations of similar or compatible uses.

Policies:
1. Locate high density residential uses in close proximity to planned shopping areas.
2. Require public, quasi-public and high density residential uses to locate where direct access to major streets is available.
3. The County shall cooperate with all affected school districts to provide the highest quality educational services and school facilities possible.
4. The County shall work with the Schools to provide safe routes to school.
5. The County of Tulare will solicit recommendations from all interested public agencies on matters regarding the El Monte Mobile Village Community Plan.
6. The El Monte Mobile Village Legacy Plan should be reviewed every five years to determine if amendments are appropriate.
7. When considering any land use proposal, capital expenditure or other matters of community importance, the County of Tulare will request input from the local service district and other affected agencies.

Objective: Provide for appropriate buffers between areas set aside for commercial activities and single family residential uses.
Policies:
1. Require adequate setbacks, side and rear yards, landscaping and screening between living and working areas.
2. Utilize roadways, railroad right of ways and other physical features to separate planned living and working areas.

**Housing**

**GOAL I: Provide safer and adequate housing for all citizens within the community.**

**Objective:** Reduce deficiencies in existing housing stock.

**Policies:**
1. Apply the health, safety and welfare standards of the Tulare County Ordinance Code, which may require demolition of vacant substandard housing units.
2. Encourage relocation of families from substandard housing units by expanding affordable housing opportunities within the community.
3. Inform potential rehabilitators of substandard housing that incentives such as reduced building permit fees are available.
4. Encourage housing advocacy groups, such as Habitat for Humanity and Self-Help Enterprises, to initiate home maintenance/repair programs in El Monte Mobile Village.

**Objective:** Encourage new housing construction within the community to meet the needs of low and moderate income residents.

**Policies:**
1. Enable the housing industry to proceed with construction in a timely and cost-efficient fashion by providing adequate amounts of residential zoning.
2. Assure that the housing industry is made aware of residential development potential in El Monte Mobile Village.
3. Coordinate residential zoning with availability of utilities and community services.
4. Provide adequate amounts of residential zoning to encourage the housing industry to proceed with construction of residential development in a timely and cost-efficient fashion.
5. Encourage housing advocacy groups, such as Habitat for Human and Self-Help Enterprises, to construct new housing.

**Objective:** Provide a role for mobile homes in satisfying community housing needs.

**Policies:**
1. Allow for development of mobilehome parks in appropriate locations.
2. Permit mobilehomes to be installed on residually designated lots within the original townsite; however, mobilehomes shall not be allowed to occupy more than 25% of such lots.
3. Discourage mobilehomes on individual lots outside the original townsite, except when necessary for caretaker use in conjunction with commercial and industrial activities.
4. Require skirting or some other type of architectural screening to improve mobilehome appearance and safety.
5. Provide a role for mobilehomes and travel trailers in satisfying the seasonal housing needs of migrant populations.

**Economic Base**

**GOAL I: Develop a strong and diversified economy.**

**Objective:** Provide the services necessary to support new development.
Policies:
1. Encourage the El Monte Mobile Village to give priority to community service development in the areas reserved for commercial and industrial growth on the plan.
2. Place emphasis on development and upgrading of water supply facilities to meet fire protection standards in planned commercial and industrial areas.

Objective: Provide the necessary safe guards to attract quality development to the community.

Policies:
1. Assure that developments are designed so that traffic will not impact upon residential areas.
2. Develop standards for signs, landscaping, and fencing to improve the attractiveness of industrial and commercial areas.

Environmental Quality and Public Safety

GOAL I: Preserve and enhance the quality of life for present and future generation of El Monte Mobile Village citizens.

Objective: Upgrade the level of community health, sanitation and safety.

Policies:
1. Encourage capital improvements (curbs, gutters, streets paving, lighting, etc.) within existing developed areas which will upgrade the community image and improve safety.
2. Tulare County shall, within its authority, protect the public from danger to life and property caused by fire.
3. Tulare County shall, within its authority, protect the public against crime against people and property.

Objective: Provide sufficient open space for community recreation needs.

Policies:
1. Encourage reservation of open space for recreational purposes in conjunction with future residential developments.
2. Facilitate innovation in housing and subdivision design so that private recreation and open space areas can be accommodated.
EL MONTE MOBILE VILLAGE LEGACY PLAN

ECONOMIC DEVELOPMENT

Tulare County’s current Economic Development Strategy focuses on the agricultural industry and pursuing grants. In rural areas, elimination of all barriers to economic development is the foundation for growth. This Plan addresses the following four potential barriers to Economic Development.

Infrastructure In order for more development to occur, service levels for water to be expanded. Grant funding is needed to increase service levels.

Use Permits There are a number of uses that currently require Planning Commission approval. In many cases, these uses are beneficial for the community and do not necessarily need discretionary review. In order to reduce the cost of and length of time to obtain entitlements, use permit requirements are being reduced.

Education Tulare County has five satellite campuses for four year universities: California State University-Fresno, University of California- Davis, Fresno Pacific University, Brandman University, and the University of Phoenix. Community Colleges in Tulare County include the College of the Sequoias, Porterville College, and San Joaquin Valley College. Workforce Development Partners include Proteus Inc., and CSET.

Health Care Health care is important for economic development as businesses need healthy employees. The nearest medical offices are in the City of Dinuba.

LAND USE AND ZONING ACREAGES

Land Use and Zoning District Updates

As suggested earlier, and based on the forecasted growth and the recommended Legacy Development Boundary, the Land Use Plan (see Table 6) and Zoning Districts Plan (see Table 7) have been updated.

IMPLEMENTATION STRATEGY

The purpose of this section is to prescribe a proposed approach to implement the general plan recommendations contained in the El Monte Mobile Village Legacy Plan. The following components comprise the El Monte Mobile Village Plan implementation strategy:

Limitation of the A-1 Zoning District. Zoning Code Changes (changes to Use Permit issuance, eliminating the SR Combining Zone and the Zoning Map Update), Complete Streets/Safe Routes to School

**Zoning District Changes** As part of this Implementation Program for the El Monte Mobile Village Legacy Plan, there are a variety of changes to existing zoning districts. These changes are described below.

**Chapter 16 of the Zoning Code** Revise Chapter 16 of the Zoning Code to limit the uses that require a Use Permit. As part the Economic Development Strategy, use permit requirements are streamlined to allow for uses to be developed without discretionary review. That is, proposed uses will not have to undergo an approval process that involves a decision making action by the Tulare County Planning Commission or Board of Supervisors. Project design features and Administrative approval will serve as the mechanism to allow (regulate) land uses, activities, densities, and other conditions typically applied through the special use permit process.

**Zoning Map Update** The current Zoning Map (see Figure 11) for El Monte Mobile Village will be amended to be compatible with the Land Use Map (see Figure 10) outlined in the General Plan. There are a couple of zoning district changes that are proposed to allow the General Plan and Zoning Ordinance to be in conformity with each other (see Figure 12) El Monte Mobile Village Proposed Zoning.
Figure 11 - Existing Zoning District
ATTACHMENT

A-1 – Use Permit Requirement Changes (Zone Change Text)
A-1 Use Permit Requirement Changes (Zone Change Text)

Additional By-Right Uses
All of the following, and all structures and accessory uses directly related thereto in this section are entitled without a Special Use Permit (Conditional Use Permit). The following is allowed only in the various zones indicated below and within a community plan that adopted development standards for such entitled use. The proposed use must adhere to the adopted development standards of the community. The proposed use must also qualify for an exemption under the California Environmental Quality Act as determined by the Permit Center. The Permit Center will review the project for General Plan Policy, Community Plan Policy and development standard consistency and determine which environmental document is appropriate. Projects where the Permit Center is unable to make an immediate determination will be required to go through the Project Review Committee (PRC).

Uses that have an environmental effect on adjacent properties or necessitate mitigation measures through the California Environmental Quality Act will be required to apply for a PRC and a traditional use permit and legislative process through the County. These uses may have environmental or land use issues that may not be compatible with adjacent uses. These impacts may include but are not limited to; hours of operation (night time), noise (i.e. power tools such as impact drivers, or loudspeaker, etc) air quality (idle running vehicles) traffic, (number of vehicles) and odor. The Permit Center process is to determine the whether the use is by right or must go through the traditional use permit process. The following uses and zones shall be considered:

COUNTY OF TULARE, STATE OF CALIFORNIA

IN THE MATTER OF THE ADDENDUM EIR )
AND MITIGATION MONITORING AND REPORTING ) RESOLUTION NO. 9342
PROGRAM FOR THE LEGACY PLANS 2017 )
UPDATE AND PROPOSED CHANGES TO THE )
LAND USE MAPS AND ZONING CHANGES )
THAT ARE NECESSARY FOR CONSISTENCY WITH )
THE GENERAL PLAN PARTS I, II AND PART III )
AMENDMENTS (GPA 17-033) )

WHEREAS, the Tulare County Board of Supervisors, on April 4, 2017, approved General Plan Initiation (GPI 17-001) which initiated the action to amend the Tulare County General Plan pursuant to Title 7, Chapter 3, Articles 5 and 6 of the Government Code of the State of California; and,

WHEREAS, the General Plan Amendment will accomplish the following: (1) update the Planning Framework Element, Land Use Element, Environmental Resources Management Element, Transportation & Circulation Element and the Public Facilities & Services Element; (2) add El Monte Mobile Village, Hypericum, Jovista, Matheny Tract, and Tooleville to the Mixed-Use Combining Zone; (3) allow additional by-right uses within the aforementioned Legacy
Communities; and (4) rezoning of properties consistent with the Land Use Element, as amended; and,

WHEREAS, The County prepared a Final EIR for the 2010 draft Tulare County General Plan 2030 Update (SCH #2006041162) and released the Final EIR for public review on or about August 30, 2011. The FEIR for the General Plan 2030 Update was prepared in compliance with the CEQA (Public Resources Code Section 21000 et seq. and the CEQA Guidelines (California Code of Regulations, Title 14). The Final EIR was distributed on CD to the State Clearinghouse, and all agencies who commented on the RDEIR. Individual notices of the FEIR availability were sent to agencies, organizations, and individuals who commented on the RDEIR. The Final EIR was available in all Tulare County Libraries, at the Tulare County Resource Management Agency and the following website, http://generalplan.co.tulare.ca.us; and,

WHEREAS, The Board of Supervisors has given notice of the proposed amendment to the General Plan as provided in Sections 65355, 65090, and 65091 of the Government Code of the State of California. A public notice was printed in the Dinuba Sentinel on August 23, 2012 the Visalia Times Delta, Porterville Recorder, and the Tulare Advance Register on August 17, 2012 at least ten days prior to the public hearing before the Board of Supervisors on: August 28, 2012.; and,

WHEREAS, this Addendum EIR and MMRP is for the Legacy Plans 2017 Update inclusive of: General Plan Amendment No. GPA 17-033 an amendment to the Planning Framework Element, Land Use Element, Environmental Resources Management and the Transportation and Circulation Element; Change of Zone No. PZC 17-031 an amendment to Section 18.9 the “MU” Mixed-Use Combining Zone; A Change of Zone for El Monte Mobile Village, Change of Zone No. PZC 17-025 (Zoning District Map); Hypericum Change of Zone No. PZC 17-026 (Zoning District Map); Jovista, Change of Zone No. PZC 17-027 (Zoning District Map); Matheny Tract, Change of Zone No. PCZ 17-029 (Zoning District Map) and Tooleville, Change of Zone No. PZC 17-030 (Zoning District Map) within the respective Legacy Development Boundaries in conformance with the updated Land Use Element; Change of Zone No. PZC 17-032 an amendment to Section 16 to allow additional by-right uses in the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville Legacy Communities; and

WHEREAS, through a good faith and substantial analysis of environmental impacts from this Project in the Addendum EIR, staff found, and the Planning Commission agrees that a summary of impacts and potential mitigation measures is included in Table ES-4 of the RDEIR and contains: (1) environmental impacts; (2) mitigation measures; (3) significance before mitigation; and (4) significance after mitigation, and required additional mitigating policies and implementation measures are recommended for the following: (1) Land Use and Aesthetics; (2) Traffic and Circulation; (3) Energy and Global Climate Change; (4) Noise; (5) Geology, Soils, Seismicity, and Mineral Resources; (6) Hazardous Materials and Public Safety; (7) Public Services, Recreation Resource and Utilities; (8) Agricultural Resources; (9) Biological Resources; and (10) Cultural Resources; and; therefore, the Addendum EIR and MMRP were the appropriate level of environmental review under CEQA for this Project;

WHEREAS, the proposed Legacy Plans 2017 Update is consistent with the Tulare County General Plan and includes the following primary goals and objectives:
1. Land Use and Environmental Planning - Promote Economic Development within planning areas in order to implement the following General Plan goals:
   a. Ensure that the text and mapping of the Community Plan Designations and Zoning Reclassifications address various development matters such as encouraging Agricultural Adaptive Reuse activities, recognizing Non-Conforming Use activities, and facilitating Ministerial Permit approvals through an amendment of the Land Use Element to incorporate use designations contained in the proposed Legacy Plans;
   b. Encourage infill development within Legacy Development Boundaries, thereby discouraging leapfrog development within Tulare County;
   c. Reduce development pressure on agriculturally-designated lands within the Valley Floor, thereby encouraging agricultural production to flourish;
   d. Reduce vehicle miles travelled throughout the County, thereby reducing greenhouse gas emissions and positively affecting air quality;
   e. Amend the Transportation and Circulation Element and incorporate circulation plan designations in the Legacy Plans. This will improve the community’s circulation, transit and pedestrian transportation system by enabling the construction of key projects including Safe Routes to Schools, Complete Streets, and Bike Lanes/Pedestrian Paths; and
   f. Promote Economic Development by reducing entitlement requirements and providing flexible land uses in a mixed use overlay zone, which will enable the County to adapt to current market conditions.

2. Improvements for a “disadvantaged community” - The legacy planning areas will be improved because of the following:
   a. Faster project processing resulting in increased employment opportunities by the private sector, as proposed projects can be reviewed and approved expeditiously;
   b. Increased housing grant awards that are consistent with the policies of the recently adopted General Plan Update and Housing Element; and
   c. Enhanced infrastructure grant awards providing access to funding to upgrade road, water, wastewater, and storm water facilities.

3. Strengthening Relationship with TCAG - An important benefit of this expedited community plan process is the opportunity for RMA to strengthen the County’s relationship with the Tulare County Association of Governments (TCAG), as this Community Plan will help to facilitate the funding and implementation of several key transportation programs such as Safe Routes to Schools, Complete Streets, and Bike/Pedestrian Projects. By pursuing these transportation programs through a collaborative process, there is greater probability of getting projects in the ground faster, thereby making the community safer and healthier by providing a more efficient transportation network.

   WHEREAS, on September 15, 2017 a Notice of Public Hearing by the Tulare County Planning Commission was duly published in the Visalia Times-Delta, a newspaper of general circulation in Tulare County, to consider the Legacy Plans 2017 Update, and

   WHEREAS, a Public Hearing was held and an opportunity for public testimony was provided at a regular meeting of the Planning Commission on September 27, 2017, and
WHEREAS, at Tulare County Planning Commission meeting, public testimony was presented by Mel Meleka, Principal Planner with the City of Tulare, who confirmed the City’s position regarding wastewater treatment which was received and recorded, and

WHEREAS, the Planning Commission is the advisory body to the Board of Supervisors with respect to the Addendum EIR, MMRP and the Legacy Plans 2017 Update; and

NOW, THEREFORE, BE IT RESOLVED as follows:

1. This Planning Commission hereby recommends adoption based on the substantial evidence in the record that the analysis presented in the Addendum EIR and Mitigation Monitoring Reporting Program (MMRP) for the Legacy Plans 2017 Update General Plan Amendment 17-033; inclusive of El Monte Mobile Village General Plan Amendment No. GPA 17-025; Change of Zone No. PZC 17-025; Hypericum General Plan Amendment No. GPA 17-026; Change of Zone No. PZC 17-026; Jovista General Plan Amendment No. GPA 17-027; Change of Zone No. PZC 17-027; Matheny Tract General Plan Amendment No. GPA 17-029; Change of Zone No. PZC 17-029; Tooleville General Plan Amendment No. GPA 17-030; Change of Zone No. PZC 17-030; Change of Zone No. PZC 17-031 (Mixed-Use Combining Zone—Section 18.9); Change of Zone No. PZC 17-032 (By-Right Uses—Section 16); and Amendments to General Plan Elements Part I Introduction, Component A, Planning Framework, Component B, Agriculture, Land Use, Component C, Scenic Landscapes, Environmental Resources Management, Air Quality, Component D, Transportation & Circulation, Public Facilities & Services, and Part II Rural Valley Lands Plan has been completed in compliance with the California Environmental Quality Act and the State Guidelines for the Implementation of the California Environmental Quality Act of 1970; and,

2. The Commission further finds that The County prepared a Final EIR for the 2010 draft Tulare County General Plan 2030 Update (SCH #2006041162) and released the Final EIR for public review on or about August 30, 2011. The FEIR for the General Plan 2030 Update was prepared in compliance with the CEQA (Public Resources Code Section 21000 et seq. and the CEQA Guidelines (California Code of Regulations, Title 14). The Final EIR was distributed on CD to the State Clearinghouse, and all agencies who commented on the RDEIR. Individual notices of the FEIR availability were sent to agencies, organizations, and individuals who commented on the RDEIR. The Final EIR was available in all Tulare County Libraries, at the Tulare County Resource Management Agency and the following website, http://generalplan.co.tulare.ca.us; and,

3. The findings made in regards to this Addendum EIR and Mitigation Monitoring and Reporting Program for the Project are recommended by the Planning Commission as the Lead Agency; and,
4. Consistent with Public Resource Code Section 21081 and Guidelines Sections 15091 through 15093 (including Public Resources Code section 21061.1 and Guidelines Section 15364 relating to the definition of "feasibility"), the Commission hereby makes various findings relating to the less than significant effects identified in the Project Addendum. Based on substantial evidence in the IS/MND and Pursuant to the discussion in each section of the Addendum EIR, and the Public Record of Proceedings, the Commission finds and declares that mitigation measures are required and that the Project will not cause a significant impact to the environment with adoption of these mitigation measures.

AND, BE IT FURTHER RESOLVED as follows:

A. The Planning Commission finds that Tulare County is required to undertake Mitigation Measures set forth in attached Exhibit “B” that are restrictive and applied only to the Legacy Plans 2017 Update. Therefore, the public will benefit from the Legacy Plans as it will implement the General Plan and advance socially desirable community improvements that are environmentally and economically sound.

B. This Planning Commission hereby recommends that the Tulare County Board of Supervisors adopt the Addendum EIR and Mitigation Monitoring Reporting Program (SCH #2006041162).

The foregoing was adopted upon motion of Commissioner Dias, seconded by Commissioner Whitlatch, at a regular meeting of the Planning Commission on October 27, 2017, by the following roll call vote:

AYES: Dias, Aguilar, Whitlatch, Millies, Gong, Pitigliano

Resolution of the Tulare County Planning Commission recommending the adoption of the proposed amendments to Part I Introduction; Component A-Planning Framework Element; Component B-Agriculture and Land Use Elements, Component C-Scenic Landscapes, Environmental Resources Management and Air Quality Elements; Component D-Transportation & Circulation and Public Facilities & Services Elements; and Part II Rural Valley Lands Plan of the Tulare County General Plan as set forth in Exhibits “A-1 to A-13” and Part III Community Plan as set forth in Exhibits “B-F” for the Legacy Plans 2017 Update General Plan Amendment No. GPA 17-033; inclusive of El Monte Mobile Village General Plan Amendment No. GPA 17-025; Hypericum General Plan Amendment No. GPA 17-026; Jovista General Plan Amendment No. GPA 17-027; Matheny Tract General Plan Amendment No. GPA 17-029; and Tooleville General Plan Amendment No. GPA 17-030 by the Board of Supervisors.

WHEREAS, the Tulare County Board of Supervisors, on April 4, 2017, approved General Plan Initiation (GPI 17-001) which initiated the action to amend the Tulare County General Plan pursuant to Title 7, Chapter 3, Articles 5 and 6 of the Government Code of the State of California, and

WHEREAS, the Planning Commission has given notice of the proposed amendment to the General Plan as provided in Section 65854 of the Government Code of the State of California, and

WHEREAS, staff has made such investigation of fact bearing upon the proposed amendments to assure the action is consistent with the procedures and purposes set forth in the California Government Code, the State General Plan Guidelines, and other elements of the Tulare County General Plan, and

WHEREAS, staff has conducted multiple public outreach meetings in the Legacy communities as part of the Legacy Plans 2017 Update to receive public participation in shaping the Update, and
WHEREAS, on September 15, 2017 a notice of Public Hearing by the Tulare County Planning Commission was duly published in the Visalia Times-Delta, a newspaper of general circulation in Tulare County, to consider the Legacy Plans 2017 Update, and

WHEREAS, a Public Hearing was held and an opportunity for public testimony was provided at a regular meeting of the Planning Commission on September 27, 2017 and

WHEREAS, at Tulare County Planning Commission meeting, public testimony was presented by Mel Meleka, Principal Planner with the City of Tulare, who confirmed the City’s position regarding wastewater treatment which was received and recorded.

NOW, THEREFORE, BE IT RESOLVED as follows:

A. This Planning Commission hereby certifies that it has reviewed and considered the information contained in the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) for compliance with the California Environmental Quality Act (CEQA), and the State Guidelines for the implementation of CEQA, prior to taking action on the proposed amendments to the Part I Introduction, Component A, Planning Framework, Component B, Agriculture, Land Use, Component C, Scenic Landscapes, Environmental Resources Management, Air Quality, Component D, Transportation & Circulation and Public Facilities & Services Elements, and Part II Rural Valley Lands Plan of the Tulare County General Plan for the Legacy Plans 2017 Update.

B. This Planning Commission, after considering all of the evidence presented, including all comments received during the public review process, hereby determines the following findings to be relevant in evaluating the proposed General Plan Amendment:

1. The amendment of the Land Use Element to incorporate the land use designations contained in the Legacy Plans 2017 Update is consistent with the Land Use Element of the Tulare County General Plan;

2. The amendment of the Transportation & Circulation Element to incorporate circulation plan designations contained in the Legacy Plans 2017 Update is consistent with the Transportation & Circulation Element of the Tulare County General Plan;

3. The Amendment of the Planning Framework Element to establish Legacy Development Boundaries as set forth in the Tulare County General Plan, Planning Framework Element, adopted by the Tulare County Board of Supervisors in August 2012;
4. The Amendment to the Environmental Resources Management Element to modify the urban expansion area in the open space element reflective of the establishment of legacy development boundaries consistent with the Planning Framework Element of the Tulare County General Plan;

5. The Amendment to Part I Introduction, Component A, Component B, Agriculture, Component C, Scenic Landscapes, Air Quality, Component D, Transportation & Circulation and Public Facilities & Services Elements, and Part II Rural Valley Lands Plan is necessary to maintain consistency and uniformity regarding the application of policies and procedures relative to Communities, Hamlets, and the newly established Legacy Communities.

6. Amendments to the Zoning Ordinance to implement the Legacy Plans 2017 Update will reflect and remain consistent with the Land Use Plan for the community;

8. The Environmental Assessment Officer approved the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) prepared for the project;

9. Based on substantial evidence, the analysis presented in the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) for GPA 17-033 have been completed in compliance with the California Environmental Quality Act and the State Guidelines for the implementation of the California Environmental Quality Act of 1970.

AND, BE IT FURTHER RESOLVED as follows:

C. This Planning Commission hereby recommends that the Tulare County Board of Supervisors adopt the Addendum EIR and Mitigation Monitoring Reporting Program (SCH #2006041162).

D. This Planning Commission hereby recommends that the Tulare County Board of Supervisors adopt General Plan Amendment No. GPA 17-033 the Legacy Plans 2017 Update set
forth in attached Exhibits “A-1 to A-13” and Part III Exhibits “B-F” which is incorporated by reference herein.

The foregoing was adopted upon motion of Commissioner Pitigliano, seconded by Commissioner Whitlatch, at a regular meeting of the Planning Commission on September 27, 2017, by the following roll call vote:

SECTION 18.9 “MU” MIXED USE COMBINING )
ZONE OF ORDINANCE NO. 352 CONSISTENT ) RESOLUTION NO. 9344
WITH THE ADOPTED LEGACY PLANS 2017 )
UPDATE, AS PROPOSED IN CHANGE OF ZONE )
NO. PZC 17-031 )

Resolution of the Tulare County Planning Commission recommending that the Board of Supervisors amend Section 18.9 “MU” Combining Zone of Ordinance No. 352, the Zoning Ordinance set forth in attached Exhibit “A,” to include the Communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville, consistent with the adopted Legacy Plans 2017 Update.

WHEREAS, a petition has been filed pursuant to the regulations contained in Section 17 of the Tulare County Zoning Ordinance No. 352, and

WHEREAS, the Planning Commission has given notice of the Ordinance amendment as provided in Section 18 of Ordinance No. 352 and Section 65854 of the Government Code of the State of California, and

WHEREAS, staff has performed necessary investigations, prepared a written report made a part hereof, and recommended approval of this Ordinance amendment, and

WHEREAS, on September 15, 2017, a Notice of Public Hearing by the Tulare County Planning Commission was duly published in the Visalia Times-Delta, a newspaper of general circulation in Tulare County, and

WHEREAS, a public hearing was held and an opportunity for public testimony was provided at a regular meeting of the Planning Commission on September 27, 2017, and

WHEREAS, at Tulare County Planning Commission meeting, public testimony was presented by Mel Meleka, Principal Planner with the City of Tulare, who confirmed the City’s position regarding wastewater treatment which was received and recorded, and

NOW, THEREFORE, BE IT RESOLVED as follows:

A. This Planning Commission hereby certifies that prior to taking action on the proposed amendment to Ordinance No. 352, it has reviewed and considered the information contained in the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) for compliance with the California Environmental Quality Act (CEQA), and the State Guidelines for the implementation of CEQA that were prepared for the Legacy Plans 2017 Update and is
applicable for the proposed amendment to Section 18.9 “MU” Mixed Use Combining Zone of Ordinance No. 352.

B. This Planning Commission, after considering all of the evidence presented, including all comments received during the public review process, hereby determines the following findings were relevant in evaluating the proposed Change of Zone:

1. The Tulare County Board of Supervisors, on April 4, 2017, approved General Plan Initiation (GPI 17-001) to prepare a General Plan Amendment for Unincorporated Community Plans, Hamlet Plans and Legacy Plans pursuant to Title 7, Chapter 3, Articles 5 and 6 of the Government Code of the State of California;

2. The purpose of this proposal is to obtain the appropriate zoning consistent with the adopted Legacy Plans 2017 Update and to promote sustainability through mixed land uses while promoting economic development and prosperity in the Communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville;

3. The purpose of this Mixed Use Combining Zoning District is to provide design flexibility, streamline the approval process, promote economic development, and reduce vehicle miles traveled by locating residential uses within proximity of employment areas;

4. This Mixed Use Combining Zone update currently only applies to the communities of Traver, Strathmore, Pixley, Tipton, Terra Bella and Ducor. The communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville will be added;

5. Within the Mixed Use Combining Zone, all uses outlined in the M-1 (Light Manufacturing), C-3 (Service Commercial), C-2 (General Commercial), C-1 (Neighborhood Commercial), R-1 (Single Family Residential), R-2 (Two-Family Residential), and R-3 (Multiple Family Residential) uses are allowed. Uses and activities that are found by the Planning Director to be similar to, and compatible with, those specific zoning districts are also allowed. Uses and activities determined to be compatible by the Planning Commission and the Board of Supervisors with the above mentioned zoning districts are also allowed;

6. All conditional uses allowed in the M-1, C-3, C-2, C-1, R-1, R-2, and R-3 zoning districts shall also be allowed by right with the exception of the following uses and combination of uses: Auto Wrecking and Residential, Battery Manufacture and Residential or Commercial, Biomass Fuel Production and Residential, Flammable Liquids over 10,000 gallons, Hazardous Waste Facility, Planing Mills and
Residential or Commercial, Sand blasting, Slaughterhouse and Residential, Solid Waste Recycling and Residential, Super service stations and Residential, Airport, and Heliport;

7. All uses shall be non-detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the community, or to the general welfare of the County. All uses shall limit impacts related to smoke, fumes, dust, gas, noise, odor, vibrations and other hazards. All allowed uses are subject to the determination of appropriateness by the Director of Planning; and

8. The Planning Director has the option of deferring any land use application allowed in this district to the Planning Commission for review and decision.

C. This Planning Commission, after considering all of the evidence presented, hereby finds the proposed Ordinance amendment to be consistent with the purpose of Ordinance No. 352 and further finds the petition is in conformance with the adopted General Plan for the County of Tulare.

AND, BE IT FURTHER RESOLVED as follows:

D. This Planning Commission hereby recommends that the Board of Supervisors find there is no substantial evidence that the amendment to Section 18.9 “MU” Mixed Use Combining Zone of Ordinance No. 352 will have a significant effect on the environment. And that the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) that were prepared for the Legacy Plans 2017 Update is applicable for the proposed amendment to Ordinance 352 and reflects the independent judgment of the County.

E. This Planning Commission hereby recommends that the Tulare County Board of Supervisors adopt the Addendum EIR and Mitigation Monitoring Reporting Program (SCH # State Clearinghouse No. 2006041162).

F. This Planning Commission hereby recommends that the Tulare County Board of Supervisors approve Change of Zone No. PZ 17-032, an amendment to Ordinance 352, Section 18.9 “MU” Mixed Use Combining Zone to include the communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville, consistent with the adopted Legacy Plans 2017 Update.
The foregoing was adopted upon motion of Commissioner Whitlatch, seconded by Commissioner Pitigliano, at a regular meeting of the Planning Commission on September 27, 2017, by the following roll call vote:

COUNTY OF TULARE, STATE OF CALIFORNIA

IN THE MATTER OF AN AMENDMENT TO SECTION 16.H OF ORDINANCE NO. 352 TO ALLOW ADDITIONAL BY-RIGHT USES CONSISTENT WITH THE ADOPTED LEGACY PLANS, AS PROPOSED IN CHANGE OF ZONE NO. PZC 17-032 RESOLUTION NO. 9345

Resolution of the Tulare County Planning Commission recommending that the Board of Supervisors amend Section 16.H of Ordinance No. 352, the Zoning Ordinance, to allow additional by-right uses set forth in attached Exhibit “A,” to include the Communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville, consistent with the adopted Legacy Plans 2017 Update.

WHEREAS, a petition has been filed pursuant to the regulations contained in Section 17 of the Ordinance No. 352, and

WHEREAS, the Planning Commission has given notice of the Zoning Ordinance Amendment as provided in Section 18 of Ordinance No. 352 and Section 65854 and of the Government Code of the State of California, and

WHEREAS, staff has performed necessary investigations, prepared a written report, made a part hereof, and recommended approval of the Ordinance amendment, and

WHEREAS, on September 15, 2017, a Notice of Public Hearing by the Tulare County Planning Commission was duly published in the Visalia Times Delta, a newspaper of general circulation in Tulare County, and

WHEREAS, a public hearing was held and an opportunity for public testimony was provided at a regular meeting of the Planning Commission on September 27, 2017, and

WHEREAS, at Tulare County Planning Commission meeting, public testimony was presented by Mel Meleka, Principal Planner with the City of Tulare, who confirmed the City’s position regarding wastewater treatment which was received and recorded, and

NOW, THEREFORE, BE IT RESOLVED as follows:

A. This Planning Commission hereby certifies that prior to taking action on the proposed amendment to Section 16.H of Ordinance No. 352, it has reviewed and considered the information contained in the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) for compliance with the California Environmental Quality Act (CEQA), and the State Guidelines for the implementation of CEQA that were prepared for the Legacy Plans 2017 Update and is applicable for the proposed Change of Zone.
B. This Planning Commission, after considering all of the evidence presented, including all comments received during the public review process, hereby determines the following findings were relevant in evaluating the proposed Change of Zone:

1. The Tulare County Board of Supervisors, on April 4, 2017, approved General Plan Initiation (GPI 17-001) to prepare a General Plan Amendment for Unincorporated Community Plans, Hamlet Plans and Legacy Plans pursuant to Title 7, Chapter 3, Articles 5 and 6 of the Government Code of the State of California;

2. The purpose of this proposal is to obtain the appropriate zoning consistent with the adopted Legacy Plans 2017 Update and to promote sustainability through the allowance of Additional By-Right Uses while promoting economic development and prosperity in the Communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville;

3. The purpose of adding Additional By-Right Uses is to provide design flexibility, streamline the approval process, promote economic development, and reduce vehicles miles traveled by locating residential uses within proximity of employment areas; and

4. The allowance of Additional By-Right Uses currently only applies to the communities of Traver, Strathmore, Pixley, Tipton, Terra Bella and Ducor. The communities of El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville will be added.

C. This Planning Commission, after considering all of the evidence presented, hereby finds the proposed Ordinance amendment to be consistent with the purpose of Ordinance No. 352 and further finds the petition is in conformance with the adopted General Plan for the County of Tulare.

AND, BE IT FURTHER RESOLVED as follows:

D. This Planning Commission hereby recommends that the Board of Supervisors find there is no substantial evidence that the amendment to Section 16.H of Ordinance No. 352 to allow Additional By-Right Uses will have a significant effect on the environment. And that the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) that were prepared for the Legacy Plans 2017 Update are applicable for the proposed amendment to Ordinance 352 and reflects the independent judgment of the County.

E. This Planning Commission hereby recommends that the Tulare County Board of Supervisors adopt the Addendum EIR and Mitigation Monitoring Reporting Program (SCH # State Clearinghouse No. 2006041162).

F. This Planning Commission hereby recommends that the Tulare County Board of Supervisors approve Change of Zone No. PZC 17-032 an amendment to Ordinance No. 352, Section 16.H to allow Additional By-Right Uses to include the communities of El Monte Mobile Village,
Hypercum, Jovista, Matheny Tract and Tooleville, consistent with the adopted Legacy Plans 2017 Update, consistent with the Legacy Communities 2017 Update including affirmation that Section 16 H. is applicable in the Matheny Tract.

WHEREAS, at Tulare County Planning Commission meeting, public testimony was presented by Mel Meleka, Principal Planner with the City of Tulare, who confirmed the City’s position regarding wastewater treatment which was received and recorded, and

NOW, THEREFORE, BE IT RESOLVED as follows:

A. This Planning Commission hereby certifies that prior to taking action on the proposed Change of Zone, it reviewed and considered the information contained in the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) for compliance with the California Environmental Quality Act (CEQA), and the State Guidelines for the implementation of CEQA that were prepared for the Legacy Plans 2017 Update and is applicable for the proposed amendment to Ordinance No. 352.

B. This Planning Commission, after considering all of the evidence presented, including all comments received during the public review process, hereby determines the following findings were relevant in evaluating the proposed Change of Zone:

1. The Tulare County Board of Supervisors, on April 4, 2017, approved General Plan Initiation (GPI 17-001) to prepare a General Plan Amendment for Unincorporated Community Plans, Hamlet Plans and Legacy Plans pursuant to Title 7, Chapter 3, Articles 5 and 6 of the Government Code of the State of California;

2. The purpose of this proposal is to obtain the appropriate zoning consistent with the adopted Legacy Plans 2017 Update (GPA 17-033) and to promote sustainability through mixed land uses while promoting economic development and prosperity in the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville Legacy Communities;

3. The proposed changes in zone district designations identified in the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville Rezoning Plans are consistent with Tulare County General Plan policy.

C. This Planning Commission, after considering all of the evidence presented, hereby finds the proposed Ordinance amendment to be consistent with the purpose of Ordinance No. 352 and further finds the petition is in conformance with the adopted General Plan for the County of Tulare.
AND, BE IT FURTHER RESOLVED as follows:

D. This Planning Commission hereby recommends that the Board of Supervisors find there is no substantial evidence that the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville Rezoning Plans will have a significant effect on the environment. And that the Addendum EIR and Mitigation Monitoring and Reporting Program (MMRP) that were prepared for the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville Legacy Plans 2017 Update are applicable for the proposed amendment to Ordinance No. 352 and reflects the independent judgment of the County.

E. This Planning Commission hereby recommends that the Tulare County Board of Supervisors adopt the Addendum EIR and Mitigation Monitoring Reporting Program (SCH # No. 2006041162).

F. This Planning Commission hereby recommends that the Tulare County Board of Supervisors approve the El Monte Mobile Village Change of Zone No. PZC 17-025; Hypericum Change of Zone No. PZC 17-026; Jovista Change of Zone No. PZC 17-027; Matheny Tract Change of Zone No. PZC 17-029; and Tooleville Change of Zone No. PZC 17-030, an amendment to Ordinance No. 352, the Zoning Ordinance set forth in attached Exhibits “B” “E” “H” “K” and “N” Rezoning Plans consistent with the adopted El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville Legacy Plans 2017 Update (GPA 17-033).

The foregoing was adopted upon motion of Commissioner Whitlatch, seconded by Commissioner Dias, at a regular meeting of the Planning Commission on September 27, 2017, by the following roll call vote:

COUNTY ADMINISTRATIVE OFFICER/
CLERK, BOARD OF SUPERVISORS

BY: [Signature]
Deputy Clerk

That the Board of Supervisors:

1. Held Public Hearing at 9:30 A.M. or shortly thereafter; and

2. Certified that the Board of Supervisors has reviewed and considered the
information contained in the Addendum to the (2012) Tulare County 2030 General
Plan Final Environmental Impact Report for the Legacy Plans 2017 Update is
applicable to the General Plan Amendment and associated Zoning Ordinance
Amendments for the Legacy Plans 2017 Update as being in compliance with the
California Environmental Quality Act (CEQA) and the State CEQA Guidelines,
including CEQA findings, and the Mitigation Monitoring Reporting Program for the
Legacy Plans 2017 Update (GPA 17-033); and

3. Adopted one General Plan Amendment No. GPA 17-033, for the Legacy Plans
2017 Update inclusive of the El Monte Village (GPA 17-025); Hypericum (GPA 17-
026); Jovista (GPA 17-027); Matheny Tract (GPA 17-029); Tooleville (GPA 17-030)
and Amendments to Tulare County General Plan Part III to establish Legacy Plans
and Legacy Development Boundaries; Part I Introduction, Component A, Planning
Framework, Component B, Agriculture, Land Use, Component C, Scenic
Landscapes, Environmental Resources Management, Air Quality, Component D,
Public Facilities and Services Elements, and Part II General Plan Rural Valley Lands Plan, consistent with the Legacy Plans 2017 Update; and

4. Waived the final reading and adopted Amendments to Section 18.9 and Section 16 of Tulare County Ordinance 352, the Zoning Ordinance, and Map Amendments to rezone properties consistent with the Legacy Plans as follows:

   A. Zone Ordinance Amendment (PZC 17-031) to Section 18.9 to adopt a Mixed-Use Combining Zone within the El Monte Village, Hypericum, Jovista, Matheny Tract, and Tooleville Development Boundaries.

   B. Zone Ordinance Amendment (PZC 17-032) to Section 16 to allow additional by-right uses within the El Monte Village, Hypericum, Jovista, Matheny Tract, and Tooleville Development Boundaries.

   C. Zone Ordinance Amendments as set forth in the Zoning District Ordinance Maps for El Monte Village (PZC 17-025), Hypericum (PZC 17-026), Jovista (PZC 17-027), Matheny Tract (PZC 17-029), and Tooleville (PZC 17-030), consistent with the Legacy Plans 2017 Update; and

5. Adopted the findings of approval set forth in Planning Commission Resolution No. 9342 (Addendum to EIR), Planning Commission Resolution No. 9343 (Legacy Plans 2017 Update), Planning Commission Resolution No. 9344 (Section 18.9 Mixed Use), Planning Commission Resolution No. 9345 (Section 16 By-Right Uses), and Planning Commission Resolution No. 9346 (Zoning District Ordinance Maps); and

6. Authorized the Chairman to sign any and all necessary zoning changes under Ordinance 352, and specifically changes to Sections 18.9 and Section 16 to add the communities of El Monte Mobile Village, Hypericum, Matheny Tract, Jovista, and Tooleville to include the Mixed Use Combining Zone and additional by-right uses; and

7. Directed the Clerk of the Board to publish once in the Visalia Times-Delta newspaper the summary of the ordinance amendments and amended zoning map with the names of the Board of Supervisors voting for and against the amendment and to post a certified copy of the full ordinance amending the Tulare County Zoning Ordinance with the names of the Board of Supervisors voting for and against the amendment, within fifteen (15) days as required by Section 25124 et. seq; and

8. Directed the Environmental Assessment Officer, or designee, of the Tulare Resource Management Agency to file a Notice of Determination with the Tulare County Clerk; and

9. Authorized the Director of the Resource Management Agency, or designee, to make appropriate technical revisions to the General Plan Amendment, Legacy Plans, and associated project documents; and

10. Approved more detailed findings contained in Exhibit "A" incorporated by reference herein.
EXHIBIT "A"

A. Legacy Plans 2017 Update (General Plan Amendment 17-033)

WHEREAS, on September 27, 2017 the Planning Commission held a public hearing on the Legacy Plans 2017 Update (GPA 17-033), which included an application for El Monte Mobile Village General Plan Amendment No. GPA 17-025; Hypericum General Plan Amendment No. GPA 17-026; Jovista General Plan Amendment No. GPA 17-027; Matheny Tract General Plan Amendment No. GPA 17-029; and Tooleville General Plan Amendment No. GPA 17-030, El Monte Mobile Village Change of Zone No. PZC 17-025 (Zoning District Map); Hypericum Change of Zone No. PZC 17-026 (Zoning District Map); Jovista Change of Zone No. PZC 17-027 (Zoning District Map); Matheny Tract Change of Zone No. PZC 17-029 (Zoning District Map); and Tooleville Change of Zone No. PZC 17-030 (Zoning District Map), Change of Zone No. PZC 17-031 (Mixed-Use Combining Zone–Section 18.9) and Change of Zone No. PZC 17-032 (By-Right Uses–Section 16), collectively referred to as the Legacy Plans 2017 Update (GPA 17-033); and

WHEREAS, upon conclusion of the public hearing, the Planning Commission recommended the Board of Supervisors certify and adopt the Addendum to the (2012) Tulare County 2030 General Plan Final Environmental Impact Report for the Legacy Plans 2017 Update, as being in compliance with the California Environmental Quality Act (CEQA) and the State CEQA Guidelines, including CEQA findings, and adopt the Mitigation Monitoring and Reporting Program and approve the Legacy Plans 2017 Update; and

WHEREAS, the Board of Supervisors held a public hearing on October 17, 2017 to consider the proposed Legacy Plans 2017 Update; and

WHEREAS, the Board of Supervisors finds the public hearing for the Legacy Plans 2017 Update was properly noticed in accordance with state law and the Tulare County Ordinance Code.

WHEREAS, the Board of Supervisors finds the Legacy Plans 2017 Update is compatible, integrated and internally consistent with the existing policies of and with the Tulare County General Plan.

WHEREAS, the Board of Supervisors accepts and incorporates by reference herein, the findings of facts and recommendations adopted by the Planning Commission as follows:

2. Planning Commission Resolution No. 9343, to adopt General Plan Amendment No. GPA 17-033 for the Legacy Plans 2017 Update inclusive of El Monte Mobile Village (GPA 17-025); Hypericum (GPA 17-026); Jovista (GPA 17-027); Matheny Tract (GPA 17-029) and Tooleville (GPA 17-030) and Amendments to Part III of the Tulare County General Plan to establish Legacy Plans and Legacy Development Boundaries, to the Part I General Plan Amendment to the Introduction, Component A, Planning Framework, Component B, Agriculture, Land Use, Component C, Scenic Landscapes, Environmental Resources Management, Air Quality, Component D, Public Facilities and Services Elements, and Part II Rural Valley Lands Plan, consistent with the Legacy Plans 2017 Update (PC Package Attachment 2 – GPA Resolution).

3. Planning Commission Resolution No. 9344, in the matter of an Amendment to Section 18.9 of Ordinance No. 352, the Zoning Ordinance, and establish the Mixed Use Combining Zone within the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract, and Tooleville Legacy Development Boundaries (PC Package Attachment 3 – Section 18.9 Resolution).

4. Planning Commission Resolution No. 9345, in the matter of an Amendment to Section 16 of Ordinance No. 352, the Zoning Ordinance, to allow additional by-right uses within the El Monte Mobile Village, Hypericum, Jovista, Matheny Tract, and Tooleville Legacy Development Boundaries (PC Package Attachment 4 – Section 16 Resolution).

5. Planning Commission Resolution No. 9346, in the matter of an Amendment to Ordinance No. 352, the Zoning Ordinance, as set forth in the Zoning District Ordinance Maps for El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville, consistent with the Legacy Plans 2017 Update to rezone certain properties within El Monte Mobile Village, Hypericum, Jovista, Matheny Tract and Tooleville. (PC Package Attachment 5 – Rezoning Plan Resolution).

NOW, THEREFORE, BE IT RESOLVED as follows:

A. The Board of Supervisors hereby certifies and adopts the Addendum to the (2012) Tulare County 2030 General Plan Final Environmental Impact Report for the Legacy Plans 2017 Update, as being in compliance with the California Environmental Quality Act (CEQA) and the State CEQA Guidelines, including CEQA findings, and adopts the Mitigation Monitoring Reporting Programs.

NOW BE IT FURTHER RESOLVED as follows:

B. The Board of Supervisors adopts the entirety of all of the above findings and actions as one General Plan Amendment No. GPA 17-033.

C. The Board of Supervisors hereby waives the final reading of Change of Ordinance 352 and adopts amendments to the Tulare County Zoning Ordinance 352 pertaining to Section 18.9 - Mixed-Use Combining Zone, to Section 16 - Variances and Special Uses, and Zoning District Map Changes.
D. The Board of Supervisors authorizes the Chairman to sign any and all necessary zoning changes under Ordinance 352, and specifically changes to Sections 18.9 and Section 16 to add the communities of Legacy Plans 2017 Update to include Mixed Use Combining Zone and additional “By-Right” uses.

E. The Board of Supervisors directs the Clerk of the Board to publish once in the Visalia Times-Delta newspaper the summary of the ordinance amendments and amended zoning map with the names of the Board of Supervisors voting for and against the amendment and to post a certified copy of the full ordinance amending the Tulare County Zoning Ordinance with the names of the Board of Supervisors voting for and against the amendment, within fifteen (15) days as required by Section 25124 et. seq.

F. The Board of Supervisors directs the Environmental Assessment Officer, or designee, of the Tulare Resource Management Agency to file Notices of Determination with the Tulare County Clerk.

G. The Board of Supervisors authorizes the Director of the Resource Management Agency, or designee, to make appropriate technical revisions to the General Plan Amendment, Legacy Plans, and associated project documents.
